

Summer-To-Do List

Dear Parents,

Enclosed with this letter are activities that you can do with your child this summer to help get them ready for pre-kindergarten.

There were many things they were probably introduced to this last school year in Mrs. Willett's room. Continue to review letters, numbers, counting, name writing, etc. so that your child will retain it during the summer months.

Have a great summer! See you in August!

Sincerely,

Ms. Ptasinski
