

Thursday Mail 1/7/21

Dear Parents,

Week one of remote learning is almost in the books. With a few exceptions, things have run smoothly.

- **Tax Credit Scholarships:** Please open the attachment to today's email for information on applying for a Tax Credit Scholarship for the 2021-2022 school year. The application process begins next week. For more information, please visit empowerillinois.org.
- **Uniforms:** The school uniform policy will be enforced when we return to in-person learning. Please review the guidelines in the attachment to today's email. Parents will be called in instances of a student being out of uniform. Please pay special attention regarding boots. Student must have a pair of shoes to change in to for the school day.
- **Re-enrollment:** Information regarding re-enrollment and tuition rates for the 2021-2022 school year will be released soon.
- **Remote learning:**
 - Chromebooks have been updated for Zoom and Seesaw.
 - The school office continues to work remotely during the next week. We will respond to emails and voice mails but are not in person to answer the office phone.
- **Reminders for Students from Mrs. Potenza:**
 - Do not work ahead unless your teacher directs you to.
 - Make sure you are following directions in regard to turning in your work.
 - Make sure you are engaged in the classes and paying attention to the teacher.
 - If you are having WIFI issues, you may want to consider using an ethernet cord to connect to your Chromebook.

Thank you.
